Have never been so popular and so much in demand as they are right now. There has never been a time since we have been in business when we have sold so many Business Suits so early in the season as we have this spring. Almost every man, boy and child that you meet is wearing the product of our factory. We have eclipsed every other spring in the variety of fabric, perfection of fit and superiority of style and workmanship; but that does not imply that we are going to sleep for the balance of the season. We seldom sleep except a little while at night. It keeps us awake arranging for the Bargains that we are going to give you this week. NEW GUNBOAT SPEEDED.

Fast Time Made by the Wilmington in a Run Near New London.

NEW LONDON, Conn., March 27.—The United States gunboat Wilmington succeeded in making her trial trip to-day and speeded over the course in three hours thirty-five minutes and fifty-four seconds, making an average of fifteen knots during the run, unofficial time, and subject to correction, but the condition of the tide on both legs of the course will increase the speed record rather than diminish it. It is estimated the boat has won a premium of \$40,000 for her builders, the Newport News Ship-building Company.

The Wilmington bore away for the starting mark at 9 o'clock. Following is a summary of the trial trip.
